

52

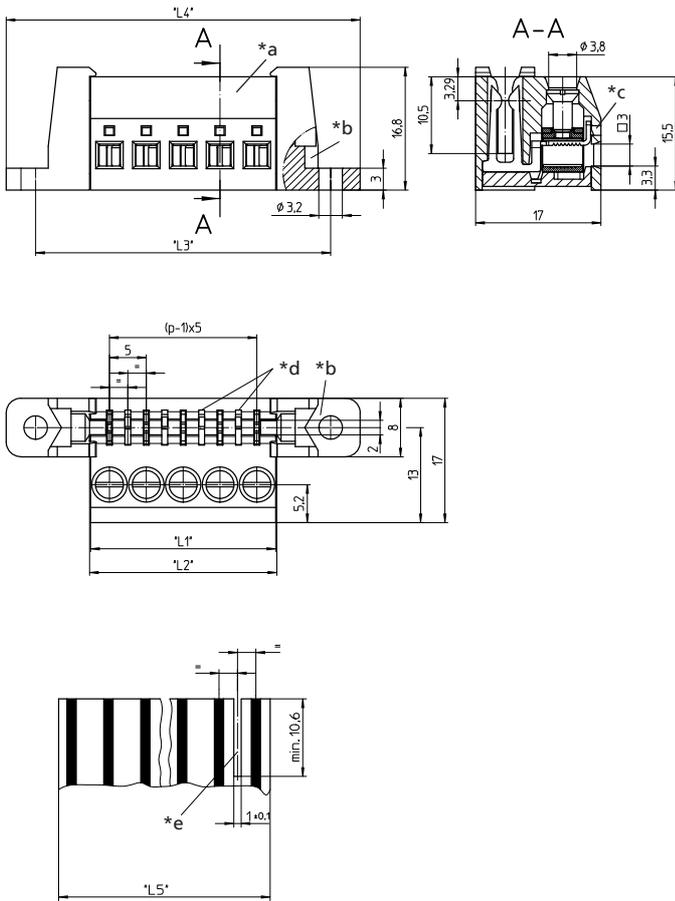

5 RS FK

Direct connectors with screw clamps, for insert cards, pitch 5.0 mm

Socket board for direct mating with screw terminals, lift clamp without protection against misplacing, with test hole and mounted pair of flanges FK

Approvals: 

- *a printable area
- *b suitable for hexagonal nut M3 according to DIN 934
- *c test hole
- *d keying insert SP 4 can be used in every other chamber
- *e example of printed circuit board layout with recess for keying insert SP 4

Materials

Insulating body	PPO
Contact spring	CuSn, tin-plated
Clamp	steel, zinc-plated
Screw	steel, zinc-plated
Flange	PPO

Mechanical data

Mating with	printed circuit board 1.5–1.6 mm
Tightening torque screw	0.4 Nm

Connectable conductors for screw clamp

Section	≤ 2.5 mm ² /AWG 24–12 (UL)
---------	---------------------------------------

Electrical data (at T_{amb} 20 °C)

Rated current	5 A
Rated voltage	250 V AC, without printed circuit board 300 V (UL)
Rated impulse voltage	> 3.0 kV
Insulation group	C
Tracking resistance	KB 300 ¹
Creepage distance	4.0 mm ²

¹ according to DIN 0303

² according to VDE 0110
